## Character Strong

### Honesty

This month's focus is Honesty. One way to think about Honesty is "being truthful in what you say and do."

Practicing Honesty helps strengthen our relationships and reduce stress. Honesty is 1 of 3 traits we will focus on throughout the year that helps students Be Well.

Throughout the school, students will be developing skills like emotion regulation, positive self-talk, and stress-management.

## Story School

## Physical Education

This month K-5 will be focused on Throwing and Catching. Lessons will vary by grade level and all lessons strive to be developmentally and instructionally appropriate for each child. Lesson will involve skill-based games with a wide variety of equipment including our hands, baseball/softball gloves, frisbees, la crosse sticks, and scoops. Through success-centered activities all children have the opportunity to develop to their fullest potential physically, socially, and intellectually.

If you have any questions about Physical Education class please feel free to reach out to Mr. Jorgenson.
