

Robison PTO Meeting May 12, 2026

Beth Wankel called the meeting to order at 5:35

In Attendance:

Beth Wankel, Maria Jones, Karma DeAnda, & Clarissa Ybarra

Approval of Minutes for April meeting:

Karma DeAnda motioned to approve the minutes, and Maria Jones seconded. All in favor. Motion passed.

Principal's report:

- DIBELS assessments show increase in reading in all grades
- Parking lot is done and being used. 2nd phase for bus bay is waiting on city to move fire hydrant
- Kinder courtyard shade structure quotes submitted, waiting for approval
- Closing processes for school year in full swing, preparing for next year.

Treasurer's Report:

Checks went out for buses for \$450 but not cashed yet. It was requested we pay for the 5th grade main event for almost \$995 we paid this time as last resort. but not sustainable to due every year in future. We motioned passed for Mr J for water toys/supplies since we will not the fire truck this year for Field Day \$70+. Motioned approved for \$2500 to be moved to teacher appreciation line item to cover next year welcome breakfast and teacher appreciation week. Current balance is \$13,706.57

Fiesta:

Food: We will have to look for new food vendor for future events. Set up slow and sanitations was not up to standards. Ms Lohn might have a contact and we will send flyer out to parents next year also if anyone knows people. We should also look into if there is a TUSD approved vendor list. Auction baskets went well. We made \$242.28 after what PTO purchased for the baskets. Flyers for fiesta and baskets went out later then we wanted so we didn't get as much donations as prior years but still a good turn out over all.

This year Fiesta was really fast, some classes were combined. We suggested maybe bringing back the intermission as we did in the past just to break it up a little.

Calendar Meeting:

A meeting will take place over the summer to discuss the 26/27 school year calendar, time and date TBD.

Meeting adjourned at 7:17
