Welcome Robison Students and Parents/Guardians:

As the new principal of Robison, I am thrilled to welcome you to the 2022-2023 school year. I am truly honored to have been selected to serve in this position and am looking forward to a school year filled with academic success, educational excitement, and building relationships so that we can work together to ensure our students excel to their potential and beyond. In my educational experience as a teacher, counselor, academic supports, and assistant principal, I understand the importance of transparent communication necessary to build lasting relationships with every single member of the Robison community. I look forward to meeting each one of you.

While there are many tasks that need to be accomplished when it comes to educating our students, my top three focus areas this year will be campus security and safety, high academic achievement with high levels of support, and having fun. Our Robison Team will work hard to ensure academics are engaging and challenging but we also balance the work with positive reinforcements and recognitions throughout the school year.

The elementary school years provide critical foundations for students and their families regarding social and emotional development, academic habits, and the importance of establishing routines to set students up for success in middle school, high school, and life. We are all on the same team, so I want to encourage you to be involved and to build collaborative and cooperative relationships with Robison staff to provide your child the best elementary experiences as possible. This is your school, so do not hesitate to call, stop by, or attend school functions. You can stay informed by reviewing our Robison website; it is a great resource in providing up-to-date information. <http://www.tusd1.org/robison>

It is going to be a great year. The Robison Family is looking forward to meeting your family and working with all of you in the coming school year.

On the next page, you will find important information about the beginning of the school year.

Sincerely,

Shawn Blair Lohn  
Principal
